

# Summer Excitement! Comes to West Conshohocken

*Free Family-Friendly Events by Moonlight*

Grab your lawn chairs and get on down to MacKenzie Park in West 'Conshy' for music, movies and magical family memories under the summer moon. The West Conshohocken Department of Recreation is proud to announce Summer Excitement!, a series of free outdoor events full of big-time entertainment and friendly small-town atmosphere. Throughout July and August, evenings in MacKenzie Park will come alive with toe-tapping concerts and family flicks on a giant screen.

The high cost of fuel has a lot of folks thinking twice about big travel this summer. But no long road trip or plane ticket needed to enjoy music styles from all over America in Summer Excitement! concerts. The Daisy Jug band has been a favorite throughout the Mid-Atlantic region for more than 30 years with its special brand of kazoo, scrub-board, wash-tub, and garden hose fun. Zydeco-A-Go-Go transports audiences to New Orleans with Zydeco, Cajun and vintage rhythm & blues styles. The Cat's Pajamas will take imaginations – young and old alike -- everywhere with puppets, props, costumes and high-octane kid-rock. Then it's off to Margaritaville with the always crowd pleasing Mango Men.

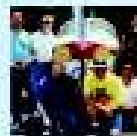

DJ Sound & Lighting will set up a huge 10' by 13' screen for showings of two incredible feature length films, The Spiderwick Chronicles & Ratatouille.

All Summer Excitement! events are free and will take place at MacKenzie Park, 207 Church Street in West Conshohocken. Concerts will start at 7:00 PM. Movies will begin at dusk.
